

***iGR* Executive Intelligence**

Each year *iGR* publishes approximately 30 full length market studies. ***iGR* Executive Intelligence** is an annual subscription service that provides an executive summary from each of these market studies, which cover topics in the following research areas:

- 5G Wireless and Mobile Landscape
- 5G Small Cells, DAS and Het-Nets
- 5G and Edge Network Architectures
- Internet of Things

The cost of the *iGR* Executive Intelligence 12-month subscription service is \$2795 and includes:

- *iGR* Executive Intelligence Summaries for all *iGR* market studies delivered to up to five corporate email inboxes as soon as they are published
- A 20 percent discount on the purchase of the complete market study, if further information, such as more detailed forecasts, is required
