Acronyms & Definitions

Abstract

www.iGR-inc.com

- › This report outlines the major trends in the U.S. wireless industry in Q2 2019
- › Three main themes are covered
 - Network – general trends about changes in the network as the industry moves to 5G
 - RAN – trends in the industry related to densification, small cells, C-RAN, etc
 - OTT – Over The Top service trends
- › The trends and themes covered will be further explored in future quarters
 - iGR avoided topics that were one-time occurrences and instead focused on events that were part of an ongoing trend
